

# Presentation Guidelines for APNOMS2006 Technical Session **Full Papers**

- Devices for presentation at the technical sessions
  - Notebook with Powerpoint
  - LCD Project
  - Speaker can use his/her own notebook; but since it takes more time to set up, it is not recommended
- Presentation time
  - Each paper is given 20 min for presentation and 5 min for Q&A
- Loading PPT file
  - Each presenter must upload his/her presentation file to the presentation notebook in the session room before the session
  - Use either USB memory stick or CD-ROM; no floppy disk
- Bio for introduction
  - Each presenter must prepare a short biography (no more than 7 lines) of himself/herself for introduction by the session chair.
  - One page printed Bio must be submitted to the session chair before the session
