Sponsored by IEICE ICM, KICS KNOM

Technically co-sponsored by IEEE Communications Society

September 25-27, 2013 in Hiroshima, Japan

The APNOMS 2013 organizing committee invites proposals for tutorials to be given at APNOMS 2013 in Hiroshima, Japan, September 25-27, 2013. Several 90-minute tutorials will be given on September 25, prior to the technical sessions. We solicit proposals for tutorials on all topics of network and service management. Especially encouraged are topics related to advanced network operations and service management for scalable, seamless & secure, and mobile broadband services including architecture, technologies, experiences, standardization activities and so forth.

Same amount of money with registration fee will be paid per tutorial as an honorarium. No travel expense will be paid.

Proposals for tutorials should contain:

1. A two-sentence description of the tutorial, suitable for inclusion in the conference registration brochure.
2. A two-paragraph description of the tutorial, suitable for a web page overview.
3. A detailed outline of the tutorial.
4. A characterization of the potential target audience for the tutorial, including prerequisite knowledge. Indicate which of the above objectives are best served by the proposed tutorial.
5. A description of why the tutorial topic would be of interest to a substantial part of the APNOMS audience.
6. A brief resume of the presenter(s), which should include:
 - Name
 - Title (e.g., Professor/Dr./Mr./Ms.)
 - Affiliation
 - Postal address
 - Phone and fax numbers
 - E-mail address
 - Other information, such as citation to an available example of work in the area and evidence of teaching experience.

Proposals should be submitted to the tutorial co-chairs via e-mail by no later than June 14, 2013. The subject line should be: "APNOMS 2013 TUTORIAL PROPOSAL." We regret that proposals will not be accepted by regular mail or fax.

Presentation stuff will be included in conference proceedings but will NOT be indexed by any scholarly research database. The copyright of presentation stuff will belong to the author(s). The author(s) may transfer the copyright to a journal publisher if the same content or its extended version is submitted separately to a journal.

Important Dates :

- Tutorial Proposals due: June 14, 2013
- Notification of Acceptance: July 16, 2013
- Camera ready due: August 18, 2013

Please send your questions on APNOMS 2013 Tutorial to:

- Dr. Kiyohito Yoshihara (KDDI R&D Labs., Japan) yosshy@kddilabs.jp
- Prof. Hongtaek Ju (Keimyung Univ., South Korea) juht@kmu.ac.kr
